**Questions?**

Call us at  
**704-920-5555.**

**Make a commitment** to reduce the amount of waste you produce (purchasing only items you need or will consume, and composting when possible), become an avid recycler (with even more items to recycle!), and reuse items that are still functional (be creative and find new uses, or pass them along to others). **It's an easy commitment that makes a world of difference!**
